Healing Touch Practitioner Transfer Information

From June 1 through November 30, 2017, Healing Touch Program (HTP) is accepting transfer applications for Certified Healing Touch Practitioners (CHTP) certified between 1/1/2009 and 5/1/2017. Practitioner certifications after 5/1/2017 will not be considered. On December 1, 2017, the transfer process will no longer be available.

HTP is the only provider of Healing Touch education that is accredited with ANCC, and that holds the NCCA nationally accredited and board-certified credential, Healing Touch Certified Practitioner (HTCP).

HTP recognizes that practitioners who achieved certification before 1/1/2009 completed the HTP coursework.

For those certified after 1/1/2009, it is required that all non HTP classes be transferred to HTP. The [Healing Touch Class Transfer Request Form](#) document dated 6/1/2017 outlines the process for transferring Healing Touch Level 1 through 5 classes to HTP.
